

Dear Business Owner, Community Leader, or Caring Citizen,

We are writing to you today on behalf of the Dyer County Adult Leadership Class of 2018-2019. ***Have you heard the news?*** There are exciting plans for a mural project in Downtown Dyersburg to be completed in 2020.

The Dyer County Adult Leadership Class of 2018-2019 is planning a mural to be painted on the north wall of the Tencom / Mill Workspace building located at 217 South Mill Avenue in Dyersburg, Tennessee. A photograph of the building's north wall is attached.

South Mill is a vibrant area of downtown that has been and is currently experiencing much revitalization. This area will also serve as a gateway between the Historic Downtown Square and the new Downtown River Park upon its completion.

We believe this project will be transformational for Downtown Dyersburg: creating a memorable feature in Downtown for photo-ops; attracting visitors to Downtown; and spurring future Downtown business, beautification and improvement projects. This mural will serve as a catalyst toward revitalizing Downtown Dyersburg and will be enjoyed for decades to come.

Would you consider supporting the Mural Project? Donations of any amount would certainly be appreciated, and Leadership Level Gifts will be recognized by a plaque next to the mural. Donations should be made to the Foundation of the Dyersburg / Dyer County Chamber of Commerce and may be tax deductible.

Your gift will serve as a catalyst toward revitalizing Downtown Dyersburg, creating art that celebrates our community and will be enjoyed for decades to come. We thank you for your consideration, and any questions about donations can be directed to Amy Cresswell, Mural Project Manager (contact information on next page).

Sincerely,

Mural Design by artist M.K. Alford (Dyersburg native and resident)

Theme: Celebrating Dyersburg

This mural celebrates many of the aspects of what we love about our community. The word “Dyersburg” is surrounded by depictions of fields of cotton (hearkening back to the cotton mill), soybeans, and corn; the Dyer County Fair; the courthouse; dogwood trees; mallard ducks swimming underneath the I-55 bridge; and a map of Dyersburg in the background.

Mural Location (Northern Wall, 217 S. Mill Ave., Dyersburg, TN):

Mural design will be selected by a committee from the Adult Leadership Class through a Request for Proposals process.
